

Ocala Septic worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Property ZIP, locality and whether the request is repair or installation
- ☐ Existing permits, system layout and service records if available
- ☐ Observed symptom, when it started and recent pumping or repair
- ☐ Accessible route, known tank location and nearby surfaces
- ☐ Proposed timing and any property-sale or building-project deadline

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Assessment What inspection or site evaluation is included?		
Approved scope Which system work and approvals are included?		
Access and excavation What excavation, protection and access work is included?		
Restoration Who restores disturbed surfaces and removes waste?		
Completion What inspection and completed-system records are supplied?		
Total + exclusions / extra charges
